

Thank you for joining the Knysna Speed Festival Team at the Le Mans VIP Lounge for the 2019 Jaguar Simola Hillclimb. We hope you will enjoy our premium hospitality at the heart of the action.

### **WHERE DO I COLLECT MY WRISTBAND PASS?**

As a Le Mans VIP Lounge guest, your access pass wristbands will be **available from Thursday 2 May – Sunday 5 May at our Welcome Centre** (please note the opening times below) in Trotter Street, Knysna Central. Follow the directional signage from major routes in town.

Please bring along your QR ticket printout or have it available on your phone. The QR code will be scanned and you will be given a wristband that will be loaded with your access. If you are joining us on multiple days, please note you will receive one wristband with access for the specific days loaded onto the wristband, so please do not remove it. It is fully waterproof and guarantees your access into the event and the Le Mans VIP Lounge. Please note that if the wristband or RFID tag is lost or cut off we will not be able to replace it.

### **HOW DO I GET TO THE LE MANS VIP LOUNGE FACILITY?**

As a Le Mans VIP Lounge guest you receive free parking in the Pit Priority Parking area which is a short walk away from the Pits. The Le Mans VIP Lounge is accessible from the Pit lane. You will receive one Pit Priority Parking sticker for every 2 tickets when you collect your access wristbands at the Welcome Centre. Please attach the sticker to your windscreen before driving to the event to ensure that your access to the parking is guaranteed.

Should you prefer to take a Shuttle to the Pit Ticket Entrance, they are available from the Welcome Centre in Trotter Street, Knysna Central. Tickets are R25 per person return. Please hop off at the Pit Ticket Entrance. At the Pit Ticket Entrance gate

please proceed through the ticket holders access point where your wristband RFID tag will be scanned. The Le Mans VIP Lounge is a short, level walk away. The last Shuttle back to Trotter Street leaves at 18h00 daily.

We highly recommend using a shuttle if your car is a sports car or a low car as the access to the Pit Priority Parking area is along a dirt road. Rain will also make this road slippery, so please take a Shuttle in the event of wet weather.

### **WHERE DOES MY LE MANS VIP LOUNGE ACCESS PASS GET ME?**

As a Le Mans VIP Lounge guest, you will have access:

- Into the event
- The Le Mans VIP Lounge
- The Pits

The Le Mans VIP Lounge offers a bird's-eye view of the smoke and thunder as the cars blast off the start line. The vibe is electric and leaves you feeling connected to the machines. The Pits are a one-minute walk away allowing you to wander freely between the magnificent cars and chat to the drivers. Pit access is controlled therefore security will scan your wristband before allowing you entry.

Your safety is our concern so when in the Pits please be aware that you are in a race zone with cars returning to their Pits and leaving for their runs. There is also a burn-out area so please take note of these elements when walking in the Pit lane. No drinking or smoking is allowed in the Pits.

Should you wish to change your viewpoint, take a 5 minute walk to the Turn 2 Grandstand. From here you will see the Start line and the high speed run up the hill towards The Bridge. Limited tickets for the Turn 2 Grandstand are available on our website: [www.jaguarsimolahillclimb.com](http://www.jaguarsimolahillclimb.com)
